Helping Clients Use Video to Get Results!

At Videofiles, we understand that our clients are the reason we are in business. For over 20 years we have strived to earn our client's trust. We listen first, then we focus on exceeding expectations. Our clients have a vision, an idea, or a message and we help them develop & distribute their stories in traditional media formats or online for the world to see.

B2B and B2C business executives are increasingly using video as their main source of business information.

In fact, in recent surveys, nearly 60% of business executives said they watch the video before reading text on the same page - and 65% admitted to visiting the vendor's website after viewing a video.

Has your company tapped into the power of video?

If the answer is no... Why not? Afraid of the costs?

The good news is that it's more budget friendly than you may think.
